Guest Speaker; Kathy Sweezey

Coastal Restoration Project Manager; The Nature Conservancy Affectionately titled “the oyster person” by her colleagues, Kathy primarily focuses her efforts on oyster reef restoration along the Texas coast. Kathy was born and raised in Alexandria, Virginia and spent most of her early professional life living along the East coast of the US from Portland, Maine to Tampa, Florida. She received her bachelor’s in Parks, Recreation, and Tourism Studies from Old Dominion University and her master’s in Natural Resource Management from the University of Denver. She has previously worked at the National Park Service and Houston Audubon Society before settling into her position at TNC. Kathy currently lives in Dickinson with her husband and two dogs.

Houston Underwater Film Festival

MATCH Theater April 6-7

2 Days. 61 films from 22 countries.

Daily raffle! Must be present to win.

This unique festival showcases all things related to the underwater world.

Films cover the beauty of our oceans, coral reefs, lakes, rivers & streams. You will see movies, animation & underwater dance! HUFF is run by folks from the dive community. Your support is encouraged.
