May Guest Speaker; Laura Picariello

Program Director, Sustainable Fisheries & Aquaculture!
Texas Sea Grant @ Texas A&M University

Laura's primary focus in her role at Texas Sea Grant is helping commercial and recreational fishing communities understand and utilize the latest in fisheries technology, research and management to develop applicable solutions to problems facing their communities. Picariello currently works with the Texas shrimp industry, helping fishermen with the proper installation, use and maintenance of turtle excluder devices (TEDs) and bycatch reduction devices (BRDs) to minimize impacts on other species.
