Diver of the Year

It is time to select our 2022 Bay Area Diver of the Year. We honor one of our members each year for their contributions to the club. We have a small ceremony in which we present an award to recognize one of ours who has gone above and beyond in their efforts. We ask that our members submit nominations with a short write up that we can present to the club members that describes why that person would be a good candidate. The vote will be at the Christmas party on the 17th. Please submit your nomination to info@bayareadivers.org or the Facebook event with the person's name and a short write-up of why you believe the candidate should be our 2022 BAD Diver of the Year. We will have in person ballots at the Christmas Party.
