**July Speaker:** This month we have again invited Dennis Camp to come and talk to us about his recent trip to Indonesia for a whole month of diving. Dennis has been to our club several times in the past and has always given BAD an excellent presentation. So be sure to mark your calendar for July 28th and by all means bring a friend with you.

**June Speakers:** BAD would like to thank Chuck Noe for coming out to our June general meeting and giving us a wonderful presentation on what is all about with Tech - Diving and its interest. Chuck has been a long time diver and has taught many fellow Houston area divers the art of Tech – Diving. So again thanks Chuck and keep up the good work.
