GUEST SPEAKER

Our *January* Guest Speaker is TMMSN's Executive Director, Heidi Whitehead!. She has been intrigued by marine mammals from a young age and continues to be inspired by their behavior, adaptations, and stranding patterns. Heidi has worked in all aspects of the org beginning as a volunteer, then serving in many positions throughout TMMSN. She is highly experienced in the field with the recovery & rehabilitation of various species of marine mammals; and devotes her time to investigating the cause of strandings by means of recovery, rehabilitation, data collection, and necropsies of stranded animals.

2017 BAD DIVER OF THE YEAR WINNER...

Gary Fesler! He was the 2017 Vice-President for BAD, actively seeking presenters for our club that meet our clubs mission and desired topics! He helped face challenges head on when presenters have been unable to come at the last minute. He did a most excellent presentation on his Black Beard's Live Aboard trip, in hopes to lead a group trip there. In spite of homestead changes, he's also worked hard to bring the club merchandise options up to speed!

NEW YEAR REMINDERS!
