GUEST SPEAKER

Our *June* Guest Speaker is Jackie Kamholz. Jackie has been diving since 2013; and has since obtained her Advanced Open Water and Enriched Air certifications! She loves short dives and short boat dives, quilting, and taking care of her friends.

When asked her favorite place to dive, she noted "you cannot really beat Cozumel because it is incredible, but my favorite place is Roatan!"

During tonight's club meeting, she'll tell you all about why and how our 2019 club trip may just land us in Roatan!
